

The Plymouth Antiquarian Society is the leading preservation organization in the town of Plymouth, operating multiple historic sites, including the 1809 Hedge House, the 1749 Spooner House, and the 1677 Harlow House. Since 1920, PAS has opened the doors of its historic properties to the public for tours, exhibits, and programs. The Society's historic buildings and collections are a rich local resource for learning about everyday life in New England over the centuries. PAS offers a seasonal calendar of special events and a children's summer series on local history. Membership is open to the public.

Three historic houses, three centuries of Plymouth history. The Plymouth Antiquarian Society is a 501(c)3 organization. Donations are tax deductible. For more information, visit www.plymouthantiquariansociety.org or contact Donna Curtin at (508) 746-0012 or email: pasm@verizon.net
